Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the Santa Barbara County Association of Governments (SBCAG) 2016/17-2021/22 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
15	Local, State and Transit Transportation Systems This amendment adds and modifies projects in Santa Barbara County funded from the State Transportation Improvement Program, State Highway Operation and Protection Program, Highway Maintenance Program, and Federal Transit Administration (FTA) 5307 and 5310 programs.

See enclosure.

The updated programming is for projects in an air quality attainment area that are exempt from conformity determination requirements. The SBCAG Board Resolution adopting this FTIP amendment certifies that the amendment is financially constrained and meets the requirements of public involvement procedures adopted by SBCAG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SCAG's Amendment Number 15. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2017 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vincent Mammano/Mr. Edward Carranza, Jr.
